

2018 CHHAYAnke

All round development & Medical care for all.

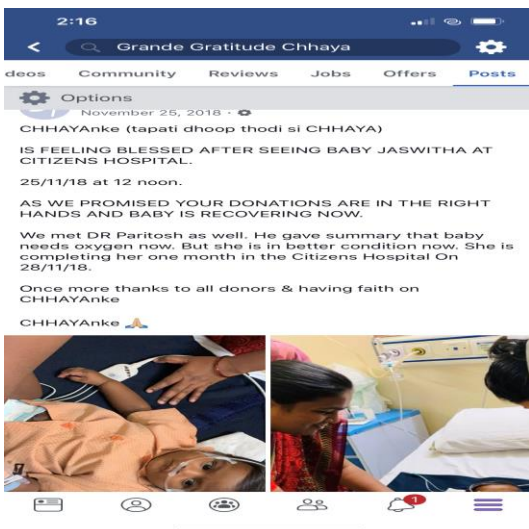

2018 CHHAYAnke was more organized and vision was one to do all round development & Medical care for all. Not only for underprivileged but we are observing mental, physical, emotional health for all genders and for all ages. CHHAYAnke is willing to spread positivity & humanity by knowing yourself & for saving lives by natural disasters. We arranged some donations for a widow maid, we distributed 24*7 water throughout the month of April & May 2018. CHHAYAnke tried to help for Kerala Flood and donated a lot of stuff with different groups.
